Review Details Analysis

Positive Reviews Summary:

- **Exceptional Service:** Abdul is frequently praised for his attentive and friendly service.
- **Great Food Quality:** The food, especially South Indian dishes like dosa and idli, is consistently praised for its taste and authenticity.
- **Helpful Recommendations:** Abdul often provides excellent food recommendations that enhance the dining experience.
- **Ambiance:** The restaurant is noted for its inviting and elegant ambiance.
- **Consistency:** Many reviews highlight the consistent quality of both food and service over multiple visits.
- **Special Mentions:** Specific dishes such as jackfruit biryani, masala dosa, and mango mojito are frequently recommended.
- **Family-Friendly:** The restaurant is described as accommodating to families, with quick and efficient service even during busy times.
- **Memorable Experience:** Diners often mention memorable dining experiences, largely due to the exceptional service provided by Abdul.

Negative Reviews Summary:

- **Rude staff:** Multiple customers report experiencing rudeness, particularly from an employee named Abdul.
- **Poor service:** Several reviews mention dissatisfaction with the overall service quality.
- **Overpriced:** Customers feel the prices are too high in relation to the food and service provided.
- **Inconsistent food quality:** Some dishes, especially the sambar and chutney, are noted as disappointing.
- **Poor management of feedback:** One review highlights the restaurant's refusal to accept customer feedback about the quality of the salted lassi.
- **Inefficient serving:** One review notes that food is served at different times for different people, leading to a disjointed dining experience.
